Statement of Fees

This form outlines all of the fees involved studying at ACES (RTO.21740).

Acceptable Payment Methods

Payment can be made via credit card over the phone (1300 889 845), credit card over the internet, Paypal (4% fee applies) or direct deposit into the ACES bank account (contact the college for an invoice). Students with outstanding fees will not be provided with a Statement of Attainment or qualification until full payment is received.

Part Payment Options

Students who are unable to pay for a subject upfront, may choose to pay over several payments using a valid credit card on the following conditions:

- For a subject valued at $995, a $250 upfront deposit is required and then $80 payment per week over 10 consecutive weeks. This includes a $55 processing fee.
- For the Post Remediation Verification and Electrobiology subjects valued at $2495, a $600 upfront deposit is required and then $200 per week over 10 consecutive weeks. This includes a $105 processing fee.
- For the Mould Testing Technician course valued at $2995, a $700 upfront deposit is required and then $200 per week over 12 consecutive weeks. This includes a $105 processing fee.
- Where a payment is declined, a $25 daily processing fee will be charged and the student notified by text. Another transaction will be attempted the next working day.
- If a payment is missed for more than 7 days or payment is declined on more than 3 occasions, the student will be withdrawn from the subject.
- Students who withdraw from the subject who have already accessed the course materials for more than 7 days, will not be eligible to enrol into another subject or the same subject, until the entire debt has been paid.
- Students must provide a valid credit card to accept this option (other payment options not available).
- Students must agree to these conditions and sign the 'Payment Agreement Form'

Students are given ten weeks from the commencement of the unit to finalise payment when paying by instalment. Where approval has been given for a student to pay by instalment, ACES is responsible for the collection of outstanding fees and charges. Fair and adequate recovery procedures are in place to manage the collection and recovery of monies. Students who have fallen behind in their payments will not be enrolled in additional subjects until payment is received.

Administration Costs

Administration Fees	Cost
Recognition of prior learning application (per subject)	$395
Credit transfer application	No cost
Certificate/Statement of Attainment (electronic) *re-issue*	$35

Transfer to another subject (within 7 days of enrolling)	$195
Re-enrol in a subject (not previously completed)	50% off current price
Supplementary online quiz	$295

Statement of Fees

Advanced Diploma of Building Biology (11429NAT)

Total cost is approx. $14,950 (10 subjects – 8 core, 2 electives).
The college does not accept full payment for the entire course in one transaction, instead students only pay for the subjects they enrol into. All courses are GST free. Student tuition fees are subject to change; refer to the ACES website (www.aces.edu.au) for current pricing. ACES does not accept upfront payments for courses that students have not yet enrolled into.

Core Subjects (eight)	Cost (GST free)
Air Pollution	$995
Building Materials	$995
Design a Healthy Home	$995
Electricity Fundamentals	$995
Electrobiology	$2,495
Mould Testing	$2,995
Research Methods	$995
Sampling Methods	$2,495

Elective Subjects (two)	Cost (GST free)
Post Remediation Verification (IEP program)	$2,495
Drinking Water Pollution	$995
Feng Shui Foundations	$995
Advanced Feng Shui	$995
Decluttering	$995
Geomancy	$995
Space Clearing	$995

Statement of Fees

Diploma of Feng Shui
